

## Braeview expectations for remote learning

- ✓ All learning will be delivered in a safe and covid appropriate way. The health and wellbeing of the whole school community is our absolute priority and learning can only take place when young people, families and staff are safe, supported and nurtured.
- ✓ All young people will have access to a range of learning experiences, delivered remotely, through face to face teaching, on line teaching or paper-based resources.
- ✓ All curriculum areas will provide a structured programme of learning delivered during the pupil week. Young people will be clear about the timing of live learning opportunities and designated times for independent learning, directed by the teacher. This information will be shared with young people through Teams.

## Attachments/ links

1. Please find links to a year group timetable for your child showing when different types of learning/ subjects will be available during the pupil week. This timetable will follow the exiting school timetable.
2. Please find definitions of different types of online learning 'Making sense of remote learning'

## Live learning/ real time learning may include:

- ✚ On line chat through teams between young person and teacher checking in on progress. The Guidance teams are running sessions like this every week through their PSHE classes.
- ✚ Voice of teacher working through a PowerPoint presentation
- ✚ Teacher presenting learning to class
- ✚ Clinic at the end of a week to share outcomes of learning and identify tasks for the following week
